Hi Kate and Ivan,

Attaches is a draft of the ToxRefDB summaries for each of the chemicals in Monograph 112.

The citations are a bit tricky due to the source documents vs source database. We could just cite ToxRefDB or point to ToxRefDB as a supplemental file (appendix; like attached excel file).

Or we can extract the specific citations as we have done in the writeup.

Look forward to catching up tomorrow.

Best,

Matt
