Great! Thanks Matt.

Tina,

I will be able to share only the "general" IARC slides as a PDF, all glyphosate and ToxCast slides can only be displayed live during discussion. Do you must send slides out at all? If yes, I will break the PDF for distribution.

Thanks

Thanks Ivan for preparing the slides. They look good to me. I am happy to be the voice of the slides starting at whatever point.

The specific mechanistic subgroup example slides looks to be as good of a breakpoint as possible.

(b)(5) deliberative process

Tina: Should we be in Potomac yards at 3 or 4?

Thanks,

Matt

- 1) We are scheduled to meet with OPP at 4 on Friday (in Arlington).
- 2) But Jim Jones is going to come over to Arlington for a separate meet and greet at 3.
- 3) (b)(5) deliberative process

Thank you all for agreeing to do this.

T.

Please see attached. Approved by IARC for display at the meeting. Please do not distribute.

Matt, I think it is suitable for you to take over on slide 18 or slide 20.

Thanks!
Ivan
