Hi Folks!

I'm pleased to share my draft slides for your comment. I've proposed to include the Tox21 slides from Ivan, but may simplify them for a bit for the presentation.

I'll plan to submit a final version to ICF tomorrow.

PS Please forgive the delay, I've been sick as a dog with a special "holiday gift" from Kurt.... hopefully will be fully recovered by Thurs!

Hope you are all well,

Best,

Kate
