Dear Martyn, Dear all,  
Thank you for your hard work! This reads very well and I'm very pleased to see the paper moving forward. I append my (minor) suggestions on the two documents, for your consideration before finalising.  
Best regards from Lyon,  
Kate

**Subject:** Revision of EHP ms 15-09912-REV

Dear all

I have significantly revised the EHP paper on the key characteristics to

respond to the Reviewer's comments and your proposed edits. I attach a version with tracked changes and the other with them accepted. I also attach a draft of our response to the reviewers. I would greatly appreciate your comments on these revisions by Friday morning 8 am PST, Berkeley time so that I can submit the revision to EHP before the July 4 Holiday weekend. If I don't hear from you by then I will assume that you are OK with all the revisions. You can send comments on any of the documents attached.

Thanks for your patience on this resubmission and for your continued involvement.

Best regards,

Martyn
