[Key Characteristics 1509912REV-Smith\\_pgproof.pdf](#)

Dear all

I have received the proofs of the Key Characteristics paper that will appear in EHP on June 1. Please review the attached proof for errors. I can take care of most of the questions about references but may need help with some citations e.g. Ehrenberg, Shaughnessy, and some of the addresses. Please advise asap.

Thanks, Martyn
