Dear Matt,

Thanks for your note. The vol 112 decisions, and the decision process, are currently embargoed. I'll let you know when that has been lifted. I'd suggest referring interested parties to IARC, but I'll let Kurt or Ivan respond as well.

Best,

Kate

Hi Kate,

I am not sure the protocol for inquiries regarding MG112.

Dan Jenkins of Monsanto has contacted me (left me messages) asking about the decision process for Glyphosate, specifically.

I will work with our folks internally to figure out our protocol but wanted to also get your input as far as the embargo goes and our interaction with interested parties and media.

Thanks,

Matt
