Dear Matthew Martin,

The draft of a section you wrote has been reviewed and is ready for you to revise. You can find the reviewers' comments by logging into IOPS and clicking the section title on the Assignments page.

The section is: MAL 4.3. Data relevant to comparisons across agents and endpoints

To revise a section, download the formatted file(s) from IOPS by clicking the file name under available documents and make your revisions on this file. Use only this formatted file you download from IOPS for revisions, not the original version you sent us.

Please try to address the reviewers' comments as completely as possible. However, if you do not agree with comments, please explain why in by posting a comment on the section's page in IOPS or in an email to the Responsible Officer.

To submit a revised draft, go to the list of Your Assignments and click the section title. Select draft for the document type, select the name of the file on your computer and click submit. The name of the file should appear under the heading Available Documents.

Sincerely,

Kate Guyton
