Re: NIH FOI Case No. 45736

Dear Dr. David W. Schnare:

This letter is a final response to your October 28, 2016, Freedom of Information Act (FOIA) request addressed to Patricia Stockton (the former NIEHS FOIA Coordinator), which was received in this office on October 28, 2016. You requested a copy of:

- 1) "all electronic correspondence:
 - a) sent to or from (including also as cc: or bcc:) any emails account(s), text messaging, SMS or other instant messaging accounts used for NIEHS- related correspondence by John Ray Bucher, and/or by Linda Birnbaum, which is also sent to or from (also including as cc: or bcc:) anyone using any email address ending in @michaeldbaker.com, b) which correspondences uses 'glyphosate', 'IARC', and/or 'Ramazzini' anywhere in the email thread (including addresses, Subject field, body or attachments, c) which is dated between October 1, 2013 and the date you process this request, inclusive."
- 2) "all contracts meeting the following descriptions:
 - a) FY 2014 contracts HHSN27300185, HHSN27300149, HHSN27300152 (all of which have the Referenced IDV PIID of HHSN263201000141B and DUNS Number of 42441001), as well as b) any contracts for fiscal years 2015, 2016, and/or 2017 which have 'Ramazzini' and/or 'International Agency for Research on Cancer' (or 'IARC') in their 'Description of Requirement' (as do those contracts cited, in 'a')."

We searched the files of the National Institute of Environmental Health Sciences (NIEHS) Office of the Director (OD) and Office of Acquisitions (OA), as well as the files of the National Toxicology Program (NTP), for records responsive to your request.

Regarding item #1, on April 6, 2017, Regina Stable informed you that we completed the search for emails and have not identified any records responsive to that portion of your request.
